Guide Them Safely Home, Lord: A Caregiver's Companion Michael Mercer

How I wish I'd had this book of meditations to share last year as our family struggled through the difficult last days of two loved ones. Lisa Dye, author of 30 Days with 30 Saints

How do you care for yourself while caring for another? Is it even possible? This affirming book offers spiritual and practical support for caregivers, covering everything from getting the rest you need to communicating honestly with others. These 20 days of reflections and prayers address emotions of anger and guilt as well as dealing with expectations and the need for control. A spiritually rich book that can help caregivers find new strength and hope as they discover the hidden presence of God in their work.
