## **We Are The Artists: Poetry, Images & Expression** Charity Janisse

Three years ago Charity Janisse left her stable office job to travel and pursue her dream of a career in the arts. She is now exhibiting her artwork internationally and is a successful children's author. This book is the honest (and very personal) story of her journey. This is the poetry she wrote, the art she created and the photographs she took, as her life was changing dramatically around her! In this book you will see the authentic soul of an artist pursuing her dream. It is her hope that you will be inspired by her poetic journey to create and share your own work and pursue the kind of life you genuinely desire.

...

In the way you make your art

Art makes you.

A bridge

A road

A channel through

What you would never say

Or hardly do...

All comes to be

A part of reality

When you create...

"If you hear a voice within you say 'you cannot paint,' then by all means paint, and that voice will be silenced." Vincent Van Gogh

"A sincere expedition of acceptance through art and poetry." - Andrea Marlow

"A glimpse into the soul of a sister artist." - Linda Janisse
