Guy Rule #1: Sisters Are Off Limits

Bailey Cross grew up as the only daughter of a single mom. When she finds out about a family she never knew she had, she travels half-way across the country to meet them. On the night Bailey hits town, her nerves get the better of her, making her act out of character when she meets Wyatt Kincaid in a bar and lets him take her home. After a night that rocks her world, she races out of his bed as quickly as she fell into it. But, there is one thing Bailey can't run from, the baby she and Wyatt created.

Wyatt went out looking for a good time and found a hell of a lot more than he'd bargained for. He wants more than a one night stand with the woman in his bed; he wants a chance at forever. But when he wakes up the next morning, she's gone. He searches for her, but Bailey is nowhere to be found... until he goes looking in his best friend's home.

**Warning:** This novella contains a sexy alpha, insta-love, and an "oops" baby! It's quick, hot, and dirty.
