Lily

Captive at the hands of a dangerous adversary, Lily is the payment for a debt that wasn't her own. More lives are at risk than hers alone, but her need to help others may just put her in the position she fears the most. Can she resist the seductive charms of Monster's enemy, or will she fall victim to both him and the men around him?

Monster

Fighting for his life, Monster's only reason for living is getting Lily back. When a figure from his past re-enters his life, Monster has to untangle his past from his present in order to figure out his future.

Delivered

Will Monster and Lily find their way back to each other, or will forces both internal and external keep them apart for good?
