**Emergency Preparation: 100 Tips For Practical Family Preparedness Using A Realistic Approach For Better Planning (Survival Training)** Major Stroud

\*\*\* Revised and updated 2/2/2016 following suggestions from readers. A Table of contents has been added and a new Bonus section featuring 5 FREE downloads was also created to help families better prepare for any type of emergency.

## **Are You Prepared For An Emergency?**

Most people do not have an emergency plan in place. What is your plan in case of an emergency? Are the members of your family protected? How about your pets and the elderly?

Most emergency preparedness is common sense, but who has the time to think when a crisis occurs? Get the facts now and have everybody ready before they HAVE to be. When a disaster strikes, you have to know what to do in advance.

## **Over 2200 downloads already!**

Everybody in the family should have a role and has to know what to do when disaster strikes. Where is your rallying point? How about important phone numbers? Are they handy? Is there more than one escape route planned and ready?

Do you know what to carry in your car to better protect yourself? How much money should you keep handy? What happens when your stove goes out?

If you answered no to any or all of these questions, then this book can help you get your family better prepared to handle any type of adverse situation. Hit the buy button and see for yourself.

*Get Organized Before It Is Too Late*

There is no reason to panic if you have thought things through. Construct your own Emergency Plan using just a few of these bits of advice and you will be much farther ahead. This can help to save your life.
