Do you want to know how to train your older dog?

When you think about training an older dog, you may think it would be a difficult task. But, it can be easy if you take the time to learn how to train an older dog. And, this eBook can help.

Having an older dog in your life should afford you joy and loving companionship—not an extra burden or a never-ending source of frustration. Thankfully, we have all the information you need to teach your pet obedience and proper manners while giving him self esteem and confidence.

Whether you adopted or inherited an older dog or simply failed to train your pet when he was still a puppy, this is the book for you.

Our goal is to help you correct common behavioral problems in older dogs. We will teach you how to properly care for, train, and socialize your dog in a nonviolent, positive, and highly effective manner.

We don't believe in 'old school' methods that break your dog's spirit and make him afraid of you. We want you to build a genuinely strong and loving relationship with your dog based on trust, well-defined roles, and co-operation, not fear.

What we'll tell you are modern, scientifically proven tricks and tips that are actually used by expert dog trainers. By the time you finish reading, you should have control of your older dog—whatever the situation. You will learn how to use your dog's natural instincts to make him follow you. This training tool will help make your dog a valued and trusted member of your community because he is happy, involved, and outgoing.
