After dumping her cheating boyfriend, Jessica Simmons takes the dark and dangerously handsome high-powered billionaire, Matteo Moretti, home from the bar for a healthy dose (or five) of getting-over-breakup sex. Even though it's the hottest night of her life, Jessica resolves to let a fling be a fling and move on. She has her career and enough self-respect to know she doesn't need a man.

Until she finds out she's pregnant with Matteo's baby.

Though she doesn't expect him to be exactly thrilled with the situation, he surprises her with his fierce need to love and protect them both, and soon she's imagining a future with her once one-night-stand. But then secrets are exposed, and Jessica learns that Matteo's world is not the haven she'd once thought it was.

Soon caught in the middle of a terrifying tug-of-war between rival criminals, she's faced with a tumultuous decision of who to forgive and who to trust – and it might not be the father of her baby.

WARNING! If you love insta-love, super-dee-duper steamy sex that's a little rough around the edges, and a heart-swelling, cheesy-sauce HEA, then you're in for a treat!
