Of Love and Evil (Songs of the Seraphim, Book 2) Anne Rice

"I dreamed a dream of angels. I saw them and heard them in a great and endless galactic night. I saw the lights that were these angels, flying here and there, in streaks of irresistible brilliance . . . I felt love around me in this vast and seamless realm of sound and light . . . And something akin to sadness swept me up and mingled my very essence with the voices who sang, because the voices were singing of me . . . "

Thus begins Anne Rice's lyrical, haunting new novel, a metaphysical thriller of angels and assassins that once again summons up dark and dangerous worlds set in times past. Anne Rice takes us to other realms, this time to the world of fifteenth-century Rome, a city of domes and rooftop gardens, rising towers and crosses beneath an ever-shifting layer of clouds; familiar hills and tall pines . . . of Michelangelo and Raphael, of the Holy Inquisition and of Leo X, second son of a Medici, holding forth from the papal throne . . .

And into this time, into this century, Toby O'Dare, former government assassin, is summoned by the angel Malchiah to solve a terrible crime of poisoning and to search out the truth of a haunting by an earthbound restless spirit—a diabolical dybbuk.

O'Dare soon discovers himself in the midst of dark plots and counterplots surrounded by a darker and more dangerous threat as the veil of ecclesiastical terror closes in around him.

As he embarks on a powerful journey of atonement, O'Dare is reconnected with his own past, with matters light and dark, fierce and tender, with the promise of salvation and with a deeper and richer vision of love.

From reader reviews:

Jeanne Gonzales:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim or goal; it means that publication has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They can be reading whatever they have because their hobby is actually reading a book. Consider the person who don't like examining a book? Sometime, individual feel need book whenever they found difficult problem or perhaps exercise. Well, probably you should have this Of Love and Evil (Songs of the Seraphim, Book 2).

Lea Severino:

Have you spare time for the day? What do you do when you have far more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their spare time to take a wander, shopping, or went to often the Mall. How about open or even read a book allowed Of Love and Evil (Songs of the Seraphim, Book 2)? Maybe it is to be best activity for you. You know beside you can spend your time with your favorite's book, you can cleverer than before. Do you agree with it is opinion or you have various other opinion?

Stephanie Dillard:

The reason? Because this Of Love and Evil (Songs of the Seraphim, Book 2) is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of advantages than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

William Black:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Of Love and Evil (Songs of the Seraphim, Book 2) can make you sense more interested to read.
