Santorella Publications' mission is to provide both the best assortment & quality of music in print. Starting out of a small damp cellar room, Santorella Publications emerged as a company determined to differentiate itself from every other publisher. Our unwavering commitment to customer satisfaction and product diversity has fueled many years of phenomenal growth. The varied interests and strengths of our talented teachers, authors, editors and arrangers have played a large role in the success of our unique catalog. Our piano library has quickly become one of the most respected educational as well as recreational catalogs in the industry. Several of our titles have been selected by the New York State School Music Association (NYSSMA) for inclusion in their manual as required audition pieces for competing students. From our best-selling intermediate edition of Beethoven's "Ode To Joy" for classical piano to "Jazz Piano Cocktails" for auditions in jazz, displays the diversity of our ever growing catalog. Our award winning "Keyboard Kids Method" by Carolyn Carson and "Exceptional Classics" by Jonathon Robbins have been included in the Music Teachers Association of California (MTAC) resource guide since 1997, which is further evidence of our coast to coast presence. Our ability to close the gaps in the industry has inspired a large following on five continents in all print categories. We strive to provide a quality product that satisfies every customer's need. This is the root of our latest title, "101 Popular "Three Chord" Easy Favorites For Piano," edited and arranged by Jonathon Robbins. This fabulous collection of well known familiar melodies is sure to create some enjoyment for the beginner, novice or recreational pianist with many songs reminiscent of our youth, maturity and heritage. It has been decades since a beginning pianist could find such variety in just one single edition. "101 Popular Three Chord Easy Favorites For Piano" includes Ceremonial & Party Songs, Christmas Songs & Carols, Legendary Classical Pieces, Stephen Foster Memoirs, Popular Jazz Standards, Patriotic Songs & Marches, Familiar Vocal Standards, Beloved Sacred Hymns, Traditional American & Ethnic Folk Songs, Elegant Wedding Classics and Significant Unforgettable Ballads. Our goal is to provide simple arrangements of 101 familiar favorites. Although the majority of musical progressions are based on three chords (I-IV-V), more complex jazz standards require additional flavor. As a result, it becomes necessary to deviate from these three basic chords on occasion. With that being said, Jonathon Robbins has done a magnificent job of making each and every tasty title playable at any level. Our intention was to provide a diverse assortment of the most basic simplified arrangements and we are proud to say that we have accomplished that task with our latest title, "101 Popular Three Chord Easy Favorites For Piano."
