## **Hello, Darkness** Sandra Brown

From the *New York Times* bestselling author of *Mean Streak* and *Friction* comes the gripping and suspenseful story of a woman haunted by her past and caught in a nightmare that threatens to destroy her future.

For Paris Gibson, her popular late-night radio show is both an escape and her one real contact with the outside world.

Since moving to Austin to ease the pain of past, tragic mistakes, she has led a life of virtual solitude, coming alive only when she hosts her show. To her loyal listeners, she is a wise and trusted friend who not only takes their music requests, but also listens to their problems and occasionally dispenses advice.

Paris's world of isolation is brutally threatened, however, when one listener—a man who identifies himself only as “Valentino”—tells her that her on-air advice to the girl he loves has caused her to leave him and that now he intends to exact his revenge. First he plans to kill the girl, whom he has abducted—which he says he will do in seventy-two hours—then he will come after Paris.

Joined by the Austin police department, Paris plunges into a race against time in an effort to find Valentino before he can carry out his threat to kill—and to kill again. To her dismay, she finds that one of the people she must work with is crime psychologist Dean Malloy, a man with whom she shares a history that had a catastrophic effect on both their lives. His presence arouses old passions, forcing Paris to confront painful memories that she had come to Austin to forget.

As the clock ticks down, and Valentino's threats come closer and closer to becoming a reality, Paris suddenly finds herself forced to deal with a killer who may not be a stranger at all.

Tense and compelling right up to the chilling climax, *Hello, Darkness* is suspense at its very best, by the author *USA TODAY* has called “a masterful storyteller, carefully crafting tales that keep readers on the edge of their seats.”
