The Shine Factor Kris DenBesten

Imagine reaching the end of your life journey and realizing much of your time and energy were focused on the wrong things.

What would you change? How would you live differently if given another chance?

Meet Robert Elder, a performance driven high-achieving business owner. Take a ride with him on the highway to success. Prepare yourself for an unexpected detour that could make all the difference in your life.

In this simple yet profound parable, Robert finds himself in a curious situation facing some of the choices he has made. As you join Robert on this enlightening journey you may uncover some insights into your own life. Discover the eternal potential of a life focused on doing the right things for the right reason.

Let this compelling story bless you with timeless truths, enduring values and an eternal vision that will brighten your day. Don't just open this book. Open your heart. Open your mind. Let *The Shine Factor* guide you to a future beyond what you could hope for or imagine.

From reader reviews:

Keith Abell:

The book The Shine Factor can give more knowledge and information about everything you want. Exactly why must we leave a very important thing like a book The Shine Factor? A number of you have a different opinion about book. But one aim in which book can give many details for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or information that you take for that, you may give for each other; you can share all of these. Book The Shine Factor has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by available and read a publication. So it is very wonderful.

Miriam Normandin:

This The Shine Factor is great publication for you because the content which can be full of information for you who have always deal with world and have to make decision every minute. This kind of book reveal it info accurately using great arrange word or we can point out no rambling sentences inside. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with beautiful delivering sentences. Having The Shine Factor in your hand like keeping the world in your arm, information in it is not ridiculous one particular. We can say that no guide that offer you world with ten or fifteen moment right but this book already do that. So , this can be good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Terry Snider:

The book untitled The Shine Factor contain a lot of information on that. The writer explains her idea with easy approach. The language is very clear to see all the people, so do not worry, you can easy to read it. The book was compiled by famous author. The author will bring you in the new period of literary works. You can easily read this book because you can keep reading your smart phone, or gadget, so you can read the book within anywhere and anytime. In a situation you wish to purchase the e-book, you can wide open their official web-site and order it. Have a nice examine.

Jackie Lund:

This The Shine Factor is new way for you who has curiosity to look for some information given it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this The Shine Factor can be the light food in your case because the information inside this kind of book is easy to get by anyone. These books create itself in the form which is reachable by anyone, yeah I mean in the e-book form. People who think that in guide form make them feel sleepy even dizzy this e-book is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss this! Just read this e-book sort for your better life and also knowledge.
