The Trellis and the Seed: A Book of Encouragement for All Ages Jan Karon

In this gently told parable, Jan Karon tells a story of patience, of the special rewards that come from being a little bit different from everyone else, and of the courage to believe in oneself. In a picturesque and secluded garden, a tiny seed sits in thrilled anticipation of its destiny as a powerful vine, twisting and flowering through the white latticework trellis. But how could such a small seed ever thrive and grow into a strong, healthy, grown-up plant? "Don't worry," Mother Earth says. "God has planned something beautiful for you." But time passes, and the little seed doesn't believe it. Beautifully illustrated and filled with faith and love, "The Trellis and the Seed" is Jan Karon at her very best—an inspiration for all ages and an important lesson on God's love for all creatures great and small.
