Wesleyan Beliefs: Formal and Popular Expressions of the Core Beliefs of Wesleyan Communities Ted A. Campbell

Wesleyan Beliefs examines foundational beliefs as expressed in the works of John and Charles Wesley in formal doctrinal statements adopted by Wesleyan communities and in a variety of other literature including hymnals, catechisms, and works of systematic theology approved for study by preachers. It further considers the expression of these core beliefs through such popular means as personal testimonies and spiritual autobiographies and in the architectures of Methodist Wesleyan and Methodist worship spaces.
