It seems like there is news of failed relationships and broken marriages everywhere these days. All too often, these failures result from a man's lies or deceptions. Unfortunately, most women are clueless about their man's behavior until it is too late. In *Who Is the Man in Your Bed?*, Allan Wesley takes women on a fascinating journey deep into a man's world of secrets by sharing personal anecdotes and real stories of the misleading acts, practices, and tricks employed by men when women are not looking. Through provocative, controversial, and sometimes unorthodox means, Wesley teaches women how to pull off the blindfold, spot the signs of infidelity, and discover a man's true character via the following methods: • Learning to recognize the signs of a truthful and faithful man • Interpreting a man's actions correctly • Recognizing the clues cheaters leave behind • Understanding the three rules of infidelity • Using technology to uncover deceptions The practical advice included in *Who Is the Man in Your Bed?* will help any woman determine if her man is being faithful and help lead her down a path to choosing and keeping Mr. Right-instead of Mr. Wrong.
