Why Do I Sing?: Animal Songs of the Pacific Northwest Jennifer Blomgren

Animals sing for all kinds of reasons and make all kinds of sounds in the process. The spotted owl sings at night, high above the treetops. A honeybee's buzzing is the sound of summer. And the low voices of fin whales broadcast in the blue Pacific Ocean. *Why Do I Sing?* possesses a beautiful cadence for reading aloud, as it invites us to consider all of the voices in nature.
