Breadcrumbs of a Real Virtuous Woman: Biblical Secrets on How to Make Your Value Far Above Rubies! Ruby Fleurcius

After going through many relationships, we will find that we have a sincere desire for something more than what we have. As a result, we find ourselves separated, getting a divorce, or staying in broken relationships that have resulted in some form of physical, emotional, mental, or spiritual abuse from our spouse or children—yes, children are now divorcing their parents! For the first time ever, this is your opportunity to know and understand the Breadcrumbs as a Real Virtuous Woman. Even though the “Breadcrumbs of a Virtuous Woman” will equip you to attract, or keep your King through a systematic plan; however, it is not limited to just that—it will also help you keep your family together as well. For the most part, our King will not always be in our mate; our King may be in our child—we may have to raise a King. Therefore, it is imperative that we teach our son what to look for in a Virtuous Woman as well. In order to learn these characteristics, we must discover what some of the Women of the Bible did to snag their Kings. Actually, the Women of the Bible left us a legacy of great information that I will uncover in this book called, “Breadcrumbs of a Virtuous Woman.” When we talk about a Breadcrumb, the average woman will look down on a Breadcrumb because she would not realize its value. In my opinion, she would not see its value due to the fact that it is not designed for her to see unless she voluntarily takes her blinders off. The value is not necessarily in the physical Breadcrumb—the value lies in the Spirit. This is indeed of the Spirit—it is a Spiritual Breadcrumb, and it is designed for a woman to turn her nose up when she is not ready for it. As life would have it, once she lives a little longer; and life turns her upside down—soon turning her sexy curves into lumpy bumps; she will eventually come searching for that Breadcrumb. Actually, she will come searching for that anything to make that hidden pain go away. These are the Breadcrumbs that are overlooked the most, yet are the most POWERFUL. Our Breadcrumbs may come as a lesson, principles, character traits, instincts, the eloquence, a matter of integrity, a forewarning that justice is in full armor, or an impartation of wisdom. However, our Breadcrumbs are not limited, nor can we limit them; and, that is why we must keep our element of Virtue in full effect at all times. Our Breadcrumbs are here to feed us on a moment-by-moment basis through the power of the HOLY SPIRIT, and it is only He that knows what we need before we do. As you read this book, you will find the true value of who you are without settling for less than the best of what God has for you.
