Hell's Teeth James Fahy

New Oxford. A third of the human population has been lost. The wars came, and they created a monster. The Pale, a subhuman, vampire-like drone. Then they lost control. In the thirty years that followed, humankind sought to rebuild itself within the walls of New Oxford. But society had become fractured – humans now lived incongruously among Genetic Others, themselves a group of many subspecies. The most dangerous of them all: the vampires. Somehow, these groups have managed a peaceful co-existence under the controlling government influence of the Cabal. But that is all about to change... When Phoebe Harkness receives a phone call in the middle of the night, things take a turn to the horrifying. Her supervisor at Blue Lab One, a high-security research facility, has gone missing. And all that is left behind: her teeth. Dr Harkness now finds herself in a race against time to stop further bloodshed and uncover the mystery behind the victims of this horrific crime. She must navigate the dark underworld of the vampire community, without becoming someone's prey herself... But she is not alone – on her side, against all odds, is another vampire. Together they must fight for answers before it's too late... Hell's Teeth is the gripping first instalment of the urban gothic Phoebe Harkness series. It follows the young doctor as she stalks through the corrupt dystopia of New Oxford. James Fahy lives in the North of England, close to wild moors and adjacent to a haunted wind farm, with his extremely patient and long-suffering family and a very old cat named Gargoyle. When the cat dies, James plans to buy a raven and name it Quoth. He is the author of the Changeling fantasy series, following the adventures of Robin, a seemingly unremarkable boy who is swept up into a war between our world, and the Netherworld, a shadowy realm which lies beyond our own. In addition to fantasy, James also writes Science Fiction, Urban Gothic and Steampunk, for people old enough to know better. Venture Press is a science fiction and fantasy imprint of Endeavour Press, the UK's leading independent digital publisher. We are committed to the discovery and rediscovery of immensely talented authors in the SFF genre, and continue to push boundaries in search of great literature. Join us as we venture across universes and unknown landscapes – past, present and future. From reader reviews:

Serina Horne:

Book is to be different for each grade. Book for children until adult are different content. We all know that that book is very important for all of us. The book Hell's Teeth seemed to be making you to know about other expertise and of course you can take more information. It is quite advantages for you. The reserve Hell's Teeth is not only giving you far more new information but also to be your friend when you sense bored. You can spend your own personal spend time to read your publication. Try to make relationship using the book Hell's Teeth. You never truly feel lose out for everything should you read some books.

Billy Reynolds:

As people who live in the actual modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era that is certainly always change and move ahead. Some of you maybe may update themselves by examining books. It is a good choice for you personally but the problems coming to you actually is you don't know what kind you should start with. This Hell's Teeth is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Luis Martin:

Your reading sixth sense will not betray an individual, why because this Hell's Teeth guide written by well-known writer whose to say well how to make book which can be understand by anyone who also read the book. Written inside good manner for you, dripping every ideas and composing skill only for eliminate your hunger then you still question Hell's Teeth as good book not simply by the cover but also through the content. This is one book that can break don't determine book by its cover, so do you still needing yet another sixth sense to pick this kind of!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.

Donna Bradford:

Is it you who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Hell's Teeth can be the reply, oh how comes? A fresh book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these publications have than the others?
