## Marvel's Captain America Civil War Novel: Never Forgotten (Captain America Civil War Novel Fan Fiction Book 1) Steve Berry

The Civil War movie is no doubt a block buster. It is an enthralling and exciting movie arguably. But I decided to bring a twist which every fan of the movie would enjoy.

Here is an excerpt of the Marvel's Captain America Civil War: Never Forgotten.

"It hasn't been all that long since they made the team. A week maybe. But they were already closer than family, as the Howlers joked about pretty much anything.

"So..." Steve asked as they played poker, with Bucky winning as usual.

"You never told me how you guys met," he looked at them, as they stopped their game and glanced at each other, a bit surprised by the question.

"Well... um... that's a story," Dugan held his breath and scratched the back of his head..."

That is just a teaser of the novel. Get your copy and enjoy!
