Pedro de Paz

Muñecas tras el cristal (Spanish Edition) Pedro de Paz

Una anécdota sencilla, cotidiana en apariencia, y que podría ocurrirle a cualquiera, da pie al argumento de esta novela. Visitando diversas páginas pornográficas de Internet, un joven solitario encuentra, de pronto, imágenes de una chica de la que, en tiempos, estuvo enamorado y con la que terminó por perder todo contacto. El hallazgo le provoca una acuciante curiosidad. Decidido a reconstruir los pasos que llevaron a Noelia a sumergirse en ese desconocido mundo en el que ella parece haberse involucrado, el protagonista va recorriendo un camino lleno de sorpresas durante el cual saldrán a relucir viejos fantasmas del pasado y se encontrará de pronto sumergido en una peligrosa aventura para la que nadie le había preparado... Segunda novela de Pedro de Paz tras la exitosa "El hombre que mató a Durruti", esta "Muñecas tras el cristal" supone la confirmación de un narrador ágil y actual, un contador de historias que atrapan desde el planteamiento inicial y en cuyo desarrollo encontraremos numerosos momentos en que identificarnos con los protagonistas y compartir sus peripecias. Aventuras en su más literaria expresión en el ambiente cotidiano de nuestros días y a partir de una casualidad que en cualquier momento podría ocurrirnos.
