Life is pretty easy going for Chris. He lives with his best friend Adam, in a meager apartment. The only socializing he does, is with Adam's girlfriend Susan. Susan's always friendly and of course, drop-dead gorgeous. After a seemingly harmless conversation, Susan learns that Chris might be 'open' towards something she's been wanting to do with her boyfriend, but who always refuses her.

Chris soon finds himself **turned into a girl**, with a very aroused Susan waiting for him. But Chris isn't the only one who's changed, as he quickly discovers Susan's cast a spell on herself to turn her into a **futanari**. **At Susan's behest, Chris soon becomes the 'girl' that Adam could never be.**

Excerpt:

“

I had no idea what was going on. I was about to get out of bed, when my door creaked as it opened.

My gaze shot to the doorway as Susan came into my room and closed the door behind herself.

I was at a complete loss for words. I was a girl...and...and she was looking at me, like nothing was wrong.

“So, what do you think?” she asked.

“W...what?” I asked in my girly voice.

“You liked my idea, didn't you?” she asked. “I thought this might help make things easier on you. After you left last night, Adam said that If I found someone willing to let me *** them, he'd be all for it, as long as they didn't stick their **** in me.”

My jaw dropped. “B...but what the hell? I'm a girl! How am I a girl? This feels real!”
