For the past six seasons, Tristan Stark has been chasing storms throughout the Midwest for the University of Oklahoma. Teaching during the winters and hitting the road during the spring, Tristan has little time for herself, let alone time to have a solid relationship. Rival storm chaser Kate Brighten is just starting out and winds up riding along with Tristan for two weeks. It doesn't take long for the two to begin a tumultuous love affair on the road. But the road can't last forever and Kate isn't everything she seems. Once trust is broken, it's difficult to rebuild. Can Tristan accept Kate's secrets?
