It is the last summer before the big shift to high school for Cass, Jemmie, Ben, and Justin, the neighborhood kids readers first met in Crossing Jordan. Ben worries that their summer break will just be the same-old-same-old until his little brother Cody finds a hat left behind by their mysterious missing uncle. The hat -- is it magic like Cody believes? -- leads the gang to an abandoned building in the woods. Little do they suspect that this old property with a tragic past might just nudge open the door to the future for all of them.
