BUILDING BLOCKS OF LIFE: What really matters! Second Epistle of Peter Lorne F. Thompson

If you were alone with your wife on one of the islands of Hawaii, what would you want to talk with her about? If you were facing major surgery with the odds of success not too high, what would be your words to your spouse?

If you were given three months to live by your doctor, what would be the subject of your conversation with her? Have you ever thought about this?

Let me put it another way. If you are a Christian and your wife is too, what would you like to put into writing as your testament to her?

Read in this book what this husband considered the most important subject.
