Dark Souls 3 guide and walkthrough: Master the secrets of Lothric

Dark Souls 3 is hard. Although it starts you off gently (well, comparatively) the difficulty escalates rapidly, and the linear world opens into a branching, twisting maze. Which way should you go? What should you go? Where can you find a decent sword? What is that thing that keeps murdering you?

You've got questions, and we've got answers. We've been bashing away at Dark Souls 3 for weeks now, dying over and over again in the pursuit of victory. Don't be like us. Learn from our mistakes. Profit from the sweat of our brows.

Whether you're a total beginner looking for an explanation of all those numbers, a hardened veteran wanting to double check an NPC quest or covenant location, or in need of a step-by-step walkthrough before you shut down and sob in terror, we want to help. This is a work-in-progress guide we'll be adding material to as quickly as we can; let us know what you'd like to see as a priority.
