Delitos federales previstos en la legislación mexicana (Biblioteca Jurídica Porrúa) (Spanish Edition)

Federico Ponce Rojas, Amador Toca Gutiérrez

En México, los tipos penales federales se encuentran dispersos; el clásico estudio dogmático que de ellos se hacía en la parte especial del Código Penal ha sido rebasado por el incremento considerable de textos legales que además de regular áreas de diversa naturaleza, hacen tipificaciones penales. Es por ello que la Universidad Anáhuac, a propuesta de los autores, adecuó los programas académicos de su Facultad de Derecho para incorporar la asignatura de “Delitos Federales” como obligatoria y seriada.

Aunque los delitos federales se han consolidado y plasmado en diversas leyes de carácter administrativo, este trabajo provoca la reflexión crucial de los límites que debe respetar el Derecho Penal frente al Administrativo; he aquí uno de los ámbitos en que más claramente se manifiesta la necesidad de delimitar las esferas propias de dichas materias.

En ese contexto se enmarca la presente obra, cuyo primer mérito es ofrecer una visión integral y una guía ordenada y sistemática de los delitos previstos en las múltiples leyes federales. Sin embargo, no se limita a los aspectos generales relacionados con la dogmática jurídico penal, sino que además desciende hasta los detalles de la legislación vigente, incluidos aspectos procesales. Estas características le confieren un evidente sentido práctico y la convierten en una herramienta fundamental.

La tarea titánica de analizar y recopilar los distintos delitos que contiene nuestra legislación, la han llevado a cabo los autores de este libro que integra treinta y nueve leyes federales.
