This first-of-its-kind publication allows you to hear John Frusciante's guitar tracks and Flea's bass tracks like never before! According to the All Music Guide, The string instruments are the reason to listen to Stadium Arcadium ... they push and pull, rave and rumble, lie back and rock out. The CDs isolate the guitar and bass tracks from the original recording, so you can listen as you learn from the music in the book. This special edition is the brainchild of John Frusciante, and he personally approved all parts of it. All 28 songs are included from this groundbreaking two-disc release, the Peppers' first album to debut at #1 on the Billboard charts.
