Why are most women unhappy with their man's performance in bed? Why do most men not have a clue how to sexually satisfy their woman? The author maintains that sexual unhappiness in a relationship is caused by the man's lack of experience, knowledge and understanding when it comes to satisfying his woman. He also maintains that sex is the most important pillar in a relationship, and that without good sex no relationship can survive! These are strong statements, and the book offers powerful solutions by going to the root cause of sexual unhappiness among couples. Written in explicit, uninhibited language, the kind that men can understand, this is an uncensored guidebook that instructs men on how to satisfy their woman. It holds nothing back. The sexual techniques that it details, as well as the wisdom that it presents, will allow men to be able to sexually satisfy their woman the way she dreams of being satisfied. Women will read it too. They'll enjoy the tongue-in-cheek humor and be thrilled that one of the world's best kept secrets (how to make love to a woman) is finally coming out of the closet. If their men don't buy this book, it's certain they'll be buying it for them.
