Principles don't pay tuition fees. When Ryland's math scholarship disappears overnight, he has two choices. He can borrow money from fellow student Jason Burrows, who has very interesting ways of collecting debts. Or, he can volunteer to be thrown to the werelions.

One night spent playing the part of a willing human sacrifice will give him enough money to finish his PhD. It seems like a good deal-right up until the moment he finds himself naked, blindfolded, bound and surrounded by lions.
