## **Susana's Love Life** Susana Raso

96 pages. 24,000 words. Adult Content. This disguised autobiography should interest readers who have enjoyed the books, written under the pen name of Susana Raso, dealing with the themes of heterosexual crossdressing, bondage, spanking, and female domination, all in a light-hearted and literary style. The real author, suffering from a deep personal loss, went on the Internet to find a real woman to share a conventional life with. As much as he might relish the hope of finding an intelligent and attractive woman who would join in his fantasies, he realizes that this is an illusion, that he doubts that real women of this kind, unless they are paid prostitutes, are extremely rare, even if they exist at all. Men who share Susana's obsessions will find encouragement in his often humorous, off and on again search.
