An All-New title in the Tools & Techniques Series, Life Settlement Planning, offers objective and authoritative in-depth information on a specialty market, delivered in the respected tried-and-true method that has become a hallmark of the Tools & Techniques Series.

Professionals will gain exclusive insight into a market that is currently estimated to be valued at \$15-18 Billion per year, and is projected to grow up to \$140 Billion by 2016.

Life Settlement Planning covers the gamut of the life settlement business: from what life settlements are, how and why they work, and the various parties involved. Gain an understanding of the benefits and opportunities for individual, trust, business, academic, or other organizational owners, as well as tips for making settlements work, and case-studies that illustrate the variety of ways that a life settlement can prove to be a valuable transaction.

Also gain frank discussion on the disadvantages and risks of life settlements, from loss of creditor protection, jeopardizing eligibility for government benefits, or future purchases of life insurance and more.

Packed with information and tools and principles that can be applied systematically, Life Settlement Planning will prepare any financial professional for success in this growing emerging market.

Tools & Techniques provided in Life Settlement Planning:

- Step-by-step Life Settlement Evaluation Guides
- Case Studies
- Practice and Planning Pointers
- Practice Management tips
- Frequently Asked Questions
- Q&A to answer hard-hitting issues
- Much More!

From reader reviews:

Alex Thayer:

Reading a book tends to be new life style in this particular era globalization. With reading you can get a lot of information that could give you benefit in your life. Having book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only situation that share in the ebooks. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some research before they write to the book. One of them is this Tools & Techniques of Life Settlement Planning.

Dorathy Byers:

Playing with family in the park, coming to see the water world or hanging out with pals is thing that usually you could have done when you have spare time, subsequently why you don't try thing that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Tools & Techniques of Life Settlement Planning, you could enjoy both. It is fine combination right, you still want to miss it? What kind of hang type is it? Oh can occur its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Melanie Pemberton:

This Tools & Techniques of Life Settlement Planning is great e-book for you because the content which is full of information for you who have always deal with world and possess to make decision every minute. This particular book reveal it details accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but tricky core information with attractive delivering sentences. Having Tools & Techniques of Life Settlement Planning in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen moment right but this e-book already do that. So , it is good reading book. Hi Mr. and Mrs. occupied do you still doubt in which?

Pearlie Wong:

Reading a book make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is written or printed or outlined from each source that will filled update of news. In this modern era like currently, many ways to get information are available for you. From media social such as newspaper, magazines, science book, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you ready to spend your spare time to spread out your book? Or just looking for the Tools & Techniques of Life Settlement Planning when you necessary it?
