So many unanswered questions.

Who am I really? Kari wondered again. *I am not KariAnn Hillyer. Not KariAnn Granger. They tell me my real name is KariAnn Thoresen Michaels.*

But who is that person?

She frowned. *And where are my sister and brother? Who took them? Where are they now?*

“Lord, my uncle and my cousins urge me to trust you. They say that you will help me through this difficult transition. And they say that you know where Elaine and Samuel are, that I can trust you—that in you the lost are found! I am so new to this faith thing, though. It is hard to believe you will find them after so many years.”

Kari pledges her considerable fortune toward the search for the social worker who, thirty-three years earlier, took three-year-old Elaine and infant Samuel from the scene of an accident—the same accident that killed Kari’s parents—and sold them in an illegal adoption.

And she is not alone in the search for Elaine and Samuel. Private investigators Anthony Esquibel and Owen Washington join efforts to unearth the identity of the social worker and trace the adoptions of Kari’s siblings.

Will the *last* of the lost be found? Will Kari discover for herself that all God’s promises are true?
