### The Ultimate Guide to Boost Your Reading Speed and Capacity!

I have discussed in sequence how you can be a good reader by first telling you what sitting posture is best for you while you read. This is mostly ignored but I consider this the most important part of reading. If you are not sitting right, you would get tired quickly. In the next chapter I have shared why reading is important. I have given some really interesting reasons on the importance of reading and why you should read a lot. The next chapter is about different useful tips that you can follow to improve your reading capacity. If you really want to be a good reader, you should follow these tips. The next chapter is about some tips on improving your reading speed and how you can calculate your reading speed. The last chapter contains explanation of different reading techniques that every efficient reader should know about.

### Here is a preview of what you'll learn:

- The Right Reading Postures, The Importance of Reading,
- Tips to Increasing Your Reading Capacity,
- Tips to Improving Your Reading Speed,
- Different Reading Techniques.
