How to Beat My Husband's Mistress. Scholastica Bassey

How to Beat My Husband's Mistress is the first book of its kind. While many women choose divorce in the face of infidelity, this book argues wives don't have to abandon their marriages, lives, or accomplishments, nor subject their children (if they have them) to the cruel effects of infidelity and divorce. Instead, it offers wives alternatives to beat their husbands' mistresses with dignity and class, without any physical or electronic contact. Why should you allow fellow women to beat you out of your home and marriage? You have everything in your power as a woman and as a wife to beat his mistress. You're not a quitter! You should take the bull by the horns, do what needs to be done, and beat the mistress out of your life and marriage for good.
