Love comes howling when—and where—you least expect it.

Legacy, Book 2

Isaiah Striker puts family first, the pack a distant second. Which is precisely the reason he's in noisy, crowded Chicago instead of alone in his beloved woods. One look at the owner of Haven nightclub, however, and a simple favor for his brother turns into something else entirely.

Meredith Cross holds her small pack together with sheer determination. After years on the run, they hide in the glare of the city's nightlife. Isaiah may heat her blood, but she can't afford to risk the lives of the outcast half-breeds in her care. Once exposed, every bounty hunter and werewolf purist in smelling distance will hunt them down.

But when their sexual attraction spirals out of control, a moment's distraction is all it takes to lead danger right to Meredith's door. For Meredith there's only one choice: her pack.

But Isaiah knows his mate when he sees her. And he's not giving up without a fight.

Warning: This book contains hot sex, a jazzy nightclub, sexy werewolves, rogue werewolves, nasty bounty hunters, a mysterious vampire, and did I mention hot sex?
