Watching television is a pastime we all enjoy from time to time and paying those high cable bills are putting a big dent into our pockets. For this reason many of us are turning to the Internet and other service providers to help us stream our content to our computers, televisions and mobile devices. One such service that has come onto the market is Sling TV. This service has been created by Dish Network and is said to allow us to cut the cord forever. Well I am not sure if you are able to cut the cord yet but if they continue down the path they are going it may be a reality in the near future. In this book I am going to explore the service Sling TV. I am going to walk you through setting up an account, going through your 7 day free trail and give you my personal review on this service. So if you are ready to get rid of your cable company or if you are just looking to get a decent amount of channels that you can stream on your mobile devices you will want to consider signing up for Sling TV. Download this book today and get the answers you seek.
