The Book On Greatness - How to Keep Shining Your Light by Mary Pulles Cavanaugh Mary Pulles Cavanaugh is a Mom of three beautiful daughters. She holds a Bachelors Degree in Social Welfare from the University of Alabama. She also has a background in medical assisting. Mary became an avid independent researcher in 2007 by necessity when her youngest daughter was diagnosed on the Autism spectrum aka vaccine induced brain injury at age 11. This led Mary to a greater awareness of the sick care system that is so prevalent today. Her eyes were opened even more when her late father was diagnosed with cerebellar ataxia and the similarities she saw with "Autism". In 2014 an amazing door opened for Mary to join The Thinking Moms Revolution and become a co-author of the book "Evolution of a Revolution: From Hope to Healing How Thinking Parents Are Recovering Their Children and Uncovering the Truth". She has also recently submitted a 2nd Chapter for another book by The Thinking Moms on Puberty and Autism. What keeps Mary going on this very exciting journey is the knowledge that we are fearfully and wonderfully made and we all have greatness within us. When she is not recovering Autism, telling the truth about vaccines or fighting for medical freedom she may be seen teaching at a local middle school and unleashing the greatness of the tweens. Mary can be found on facebook, linked in, twitter @max4metals and thebookongreatness.com.
